
Finding the Right Retirement Location

Aug 12 2019

Grant and Sarah are planning on retiring within the next two years. Paul and Linda, already retired, are thinking about making a move. Whether you are about to retire or are already retired and considering a change, you should consider:

1: Where you want to retire is one of the biggest decisions you will make. Do you want to stay close to your family? Do you want to move to a warmer climate? Do you want to move to a cooler climate? Do you want to move to a place with a lower cost of living? Do you want to move to a place with a higher cost of living? Do you want to move to a place with a lower crime rate? Do you want to move to a place with a higher crime rate? Do you want to move to a place with a lower population density? Do you want to move to a place with a higher population density? Do you want to move to a place with a lower tax rate? Do you want to move to a place with a higher tax rate? Do you want to move to a place with a lower property value? Do you want to move to a place with a higher property value? Do you want to move to a place with a lower quality of life? Do you want to move to a place with a higher quality of life? Do you want to move to a place with a lower healthcare system? Do you want to move to a place with a higher healthcare system? Do you want to move to a place with a lower education system? Do you want to move to a place with a higher education system? Do you want to move to a place with a lower job market? Do you want to move to a place with a higher job market? Do you want to move to a place with a lower culture? Do you want to move to a place with a higher culture? Do you want to move to a place with a lower language? Do you want to move to a place with a higher language? Do you want to move to a place with a lower religion? Do you want to move to a place with a higher religion? Do you want to move to a place with a lower politics? Do you want to move to a place with a higher politics? Do you want to move to a place with a lower history? Do you want to move to a place with a higher history? Do you want to move to a place with a lower geography? Do you want to move to a place with a higher geography? Do you want to move to a place with a lower climate? Do you want to move to a place with a higher climate? Do you want to move to a place with a lower environment? Do you want to move to a place with a higher environment? Do you want to move to a place with a lower economy? Do you want to move to a place with a higher economy? Do you want to move to a place with a lower society? Do you want to move to a place with a higher society? Do you want to move to a place with a lower culture? Do you want to move to a place with a higher culture? Do you want to move to a place with a lower language? Do you want to move to a place with a higher language? Do you want to move to a place with a lower religion? Do you want to move to a place with a higher religion? Do you want to move to a place with a lower politics? Do you want to move to a place with a higher politics? Do you want to move to a place with a lower history? Do you want to move to a place with a higher history? Do you want to move to a place with a lower geography? Do you want to move to a place with a higher geography? Do you want to move to a place with a lower climate? Do you want to move to a place with a higher climate? Do you want to move to a place with a lower environment? Do you want to move to a place with a higher environment? Do you want to move to a place with a lower economy? Do you want to move to a place with a higher economy? Do you want to move to a place with a lower society? Do you want to move to a place with a higher society?
